Last year's State Budget was unlike any other in Victorian's history, and the 2021/22 economic plan will be the next step in our COVID-19 recovery.

The day after handing down the 2021 budget, Victorian treasurer **Tim Pallas MP** will join us to outline the key features of the document and its impact on business, jobs and investment.

The Victorian Chamber of Commerce and Industry, in partnership with Melbourne Press Club, is presenting this event for the fifth time, providing an exclusive opportunity to engage with the Treasurer.

The event will include a Q&A session moderated by Channel Nine's **Andrew Lund**, an introduction from VCCI CE **Paul Guerra**, and a vote of thanks from MPC President **Nick McKenzie**.
