

Sally Capp on bringing Melbourne back

Melbourne has endured one of the longest COVID-19 lockdown periods of any city in the world, but the experience has only fortified its resolve.

The city's Lord Mayor, **Sally Capp**, has made pandemic recovery the top priority of her second term in office, while also committing to helping rough sleepers and leading the world in environmental sustainability.

Over a year after the election, how is our city tracking on achieving those goals? Join us for a special MPC event with Cr Capp, where she will discuss how leadership, visionary risk-taking and powerful partnerships are driving Melbourne's revitalisation.
