

John Pesutto – the Liberal vision for Victoria

It's been a challenging six months for Victorian Opposition Leader John Pesutto.

Since he took over the Liberal leadership last December, he's not only had to deal with a re-elected Labor government but also internal partyroom issues that threatened to derail his agenda.

In his first landmark address, don't miss John Pesutto outlining his vision for Victoria and the Liberal Party as he embarks on one of the biggest challenges in Australian politics.
